Maybe even better than free.

Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone andour servers, then from our servers to your friends device. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Youcan upload any type of file (movies, music, documents, images, zip files and more). So try our free and simple filehosting service now. This is easy, fast andreliable filehosting! You don't need any kind of premium-accounts. The cost of that data transfer is covered by your internet service or the data plan on yourphone. We have no file size limit. Alternatively you can choose to share your download links on blogs, forums and social networking sites. filehosting providesan easy possibility for you to send large files to your friends. File is free to use with no gotchas and no hidden fees. You don't need any special softwareinstalled to be able to download your files. Just upload the file you want to share with your friends and we send you a download link to your file. Any file in anyformat can be uploaded and downloaded for free. Keep your files private, or send your download links only to friends or family. Unfortunately, we can't makethat part free. There are no restrictions on the number of times a file can be downloaded. If only we could, we surely would! On the other hand, using file canactually save you money. Using file, you can circumvent those limits without paying to upgrade your team chat service. Simply upload your file and share thelink. Our service is completely free for everyone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you moneyin data storage fees. Files can be downloaded from any computer from our high speed servers. Why pay storage fees for a file that you just wanted to send to afriend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. You decide who you want to share yourfiles with. It is also allowed to link to the download page from websites and communities. You can give this download link to your friends by mail or instantmessenger. No account or credit card is required to get started.
