Maybe even better than free.

Our service is completely free for everyone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money indata storage fees. It is also allowed to link to the download page from websites and communities. Unfortunately, we can't make that part free. This is easy, fastand reliable filehosting! You don't need any kind of premium-accounts. You decide who you want to share your files with. Any file in any format can beuploaded and downloaded for free. Files can be downloaded from any computer from our high speed servers. Your wallet will be none-the-lighter! Just so we'reall 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friendsdevice. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that canbe transferred within their apps. You don't need any special software installed to be able to download your files. If only we could, we surely would! On theother hand, using file can actually save you money. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Sotry our free and simple filehosting service now. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. filehostingprovides an easy possibility for you to send large files to your friends. Just upload the file you want to share with your friends and we send you a download linkto your file. There are no restrictions on the number of times a file can be downloaded. We have no file size limit. File is free to use with no gotchas and nohidden fees. Using file, you can circumvent those limits without paying to upgrade your team chat service. You can upload any type of file (movies, music,documents, images, zip files and more). No account or credit card is required to get started. Simply upload your file and share the link. You can give thisdownload link to your friends by mail or instant messenger. The cost of that data transfer is covered by your internet service or the data plan on your phone.Keep your files private, or send your download links only to friends or family.
