Maybe even better than free.

The cost of that data transfer is covered by your internet service or the data plan on your phone. It is also allowed to link to the download page from websites and communities. Keep your files private, or send your download links only to friends or family. You can upload any type of file (movies, music, documents, images, zip files and more). File is free to use with no gotchas and no hidden fees. You can give this download link to your friends by mail or instantmessenger. Our service is completely free for everyone. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Anyfile in any format can be uploaded and downloaded for free. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, datais being transferred between your computer or phone and our servers, then from our servers to your friends device. This is easy, fast and reliable filehosting!You don't need any kind of premium-accounts. You decide who you want to share your files with. We have no file size limit. Using file, you can circumventthose limits without paying to upgrade your team chat service. Files can be downloaded from any computer from our high speed servers. Unfortunately, wecan't make that part free. Alternatively you can choose to share your download links on blogs, forums and social networking sites. There are no restrictions onthe number of times a file can be downloaded. So try our free and simple filehosting service now. Why pay storage fees for a file that you just wanted to send toa friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Files transferred the old-fashioned waytend to pile up and be forgotten about, eventually costing you money in data storage fees. Simply upload your file and share the link. If only we could, wesurely would! On the other hand, using file can actually save you money. Just upload the file you want to share with your friends and we send you a downloadlink to your file. You don't need any special software installed to be able to download your files. filehosting provides an easy possibility for you to send largefiles to your friends. No account or credit card is required to get started.
